

The aim of the “**Glass Festival of Piegaro**” is to celebrate the old and millenial tradition of glass blowing, through different kinds of **activities** and **events**, all based on creativity.

Three days dedicated to **Art and glass design**, to **theatre, music** and **typical local food and beverage**.

Workshops for both adults and children, demonstrations of all the **different glass blowing techniques** in the presence of the most famous Italian and foreign glass makers.

Stay tuned!
Follow us on our websites
and social networks
